

	<i>Iranian Invited Speakers</i>	<i>Affiliation</i>	<i>Session</i>
1.		<p>Dr. Sedigheh Esmaeilzadeh Head of Fatemeh Zahra Infertility Center, Faculty member of Babol University of Medical Sciences, Babol</p> <p><i>25th International Congress on Reproductive Biomedicine</i></p>	<p>Invited Speaker in the Scientific Session:</p> <p>Predictive Issue to Overcome Black Box in RSA & RIF</p> <p>Title: Different Strategies to Overcome RSA & RIF According to New Guidelines</p>
2.		<p>Dr. Ashraf Moini Department of Gynecology and Obstetrics, Tehran University of Medical Sciences, Akbarabadi Hospital, Scientific board, Female Infertility, Reproductive Biomedicine Research Center, Royan Institute, Tehran</p> <p><i>25th International Congress on Reproductive Biomedicine</i></p>	<p>Invited Speaker in the Scientific Session:</p> <p>Infection & ART</p> <p>Title: Microbiom</p>
3.		<p>Prof. Mohammad Hossein Nasr Esfahani Head of Royan Institute for Biotechnology, Isfahan</p> <p><i>25th International Congress on Reproductive Biomedicine</i></p>	<p>Invited Speaker Scientific Session:</p> <p>Keynote Opening</p> <p>Title: The Impact of Nutrition on ART</p> <p>Chairman in the Scientific Session:</p> <p>Animal Biotechnology</p>

			<p align="center">Invited speaker Scientific Session:</p> <p align="center">Predictive Issue to Overcome Black Box in RSA & RIF</p> <p align="center">Title: Reassessing Recurrent Implantation Failure Challenges: Unraveling the Misunderstood Phenomenon in Human Fertility</p>
4.		<p>Prof. Ahmad Vosough Taghi Dizaj</p> <p>Deputy of Specialized and Clinical Services, Director of Royan Infertility Clinic, Reproductive Biomedicine Research Center, Tehran</p> <p align="center"><i>25th International Congress on Reproductive Biomedicine</i></p>	<p align="center">Invited Speaker in the Scientific Session:</p> <p align="center">Keynote Closing</p> <p align="center">Title: Royan Institute Experience of 30 years</p>
5.		<p>Prof. Ahmad Hosseini</p> <p>Chairmen of Givar IVF Center, Erfan Hospital, Tehran</p> <p align="center"><i>25th International Congress on Reproductive Biomedicine</i></p>	<p align="center">Chairman in the Scientific Session:</p> <p align="center">How to Improve Reproductive Outcomes?</p> <p align="center">Title: Enhancing Quality Control in ART Laboratories for Optimal Success</p>
6.		<p>Dr. Mohammad Reza Zamanian</p>	<p align="center">Chairman in the Scientific Session:</p>

		<p>Department of Genetics, Reproductive Biomedicine Research Center, Royan Institute, Tehran</p> <p><i>25th International Congress on Reproductive Biomedicine</i></p>	<p>How to Improve Reproductive Outcomes?</p>
7.		<p>Dr. Nima Narimani</p> <p>Department of Urology, Hasheminejad Kidney Center, School of Medicine, Iran University of Medical Sciences, Tehran</p> <p><i>25th International Congress on Reproductive Biomedicine</i></p>	<p>Chairman in the Scientific Session:</p> <p>How to Improve Reproductive Outcomes?</p>
.8		<p>Dr. Mohammad Ali Sadighi Gilani</p> <p>Head of the Department of Andrology, Royan Research Institute for Reproductive Biomedicine, Department of Urology, Tehran University of Medical Sciences, Tehran</p> <p><i>25th International Congress on Reproductive Biomedicine</i></p>	<p>Chairman in the Scientific Session: Keynote Lectures</p> <p>Invited Speaker in the Scientific Session:</p> <p>Is Platelet Rich Plasma (PRP) Effective In ART? Looking For Evidence</p> <p>Title: PRP & Stem Cell in Male Infertility</p>
.9		<p>Parvaneh Afsharian</p> <p>Deputy of Research and Technology, Department of Genetics, Reproductive Bio medicine Research Center, Royan Institute, Tehran</p> <p><i>25th International Congress on</i></p>	<p>Chairperson in the Scientific Session:</p> <p>Keynote Lectures</p>

		<i>Reproductive Biomedicine</i>	
.10		Dr. Ziba Zahiri Sorouri <i>25th International Congress on Reproductive Biomedicine</i>	Chairperson in the Scientific Session: Endometriosis & Adenomyosis
.11		Dr. Tahereh Pourdast <i>25th International Congress on Reproductive Biomedicine</i>	Chairperson in the Scientific Session: Endometriosis & Adenomyosis
.12		Dr. Elham Asgari <i>25th International Congress on Reproductive Biomedicine</i>	Chairperson in the Scientific Session: Endometriosis & Adenomyosis
13.		Prof. Saeed Alborzi Associate Professor of Obstetrics and Gynecology, Iranian Society of Minimally Invasive Gynecology, The Society Endometriosis and Adenomyosis, Shiraz University of Medical Sciences, Shiraz <i>25th International Congress on Reproductive Biomedicine</i>	Invited Speaker in the Scientific Session: Endometriosis & Adenomyosis Title: New Updates on Endometriosis

14.		<p>Prof. Naser Aghdami</p> <p>Associated Professor of Immunology, Department of Regenerative Medicine, Royan Institute for Stem Cell Biology & Technology, Tehran</p> <p><i>25th International Congress on Reproductive Biomedicine</i></p>	<p>Invited Speaker in the Scientific Session:</p> <p>Genetics of Infertility: New Insight in Prediction and Diagnosis</p> <p>Chairperson in the Scientific Session: Infection & ART</p> <p>Title: Autoimmune Disease-Related Hub Genes in Infertility</p>
15.		<p>Dr. Samaneh Saboori Darabi</p> <p>Department of Genetics, Reproductive Biomedicine Research Center, Royan Institute for Reproductive Biomedicine, Department of Medical Genetics, School of Medicine, Shahid Sadoughi University of Medical Sciences, Yazd</p>	<p>Invited Speaker in the Scientific Session:</p> <p>Genetics of Infertility: New Insight in Prediction and Diagnosis</p> <p>Title: Identification of Candidate Genes for Uterine Leiomyoma by Family-Based Exome Sequencing</p>
16.		<p>Dr. Morteza Sanei Taheri</p> <p>Professor of Radiology, Shahid Beheshti University of Medical Sciences, Tehran</p> <p><i>25th International Congress on Reproductive Biomedicine</i></p>	<p>Invited Speaker in the Scientific Session:</p> <p>Endometriosis & Adenomyosis</p> <p>Title: Interventional Treatment of Endometriosis</p>

17.		<p>Dr. Tahereh Madani Faculty Member in the Department of Endocrinology and Female Infertility, Reproductive Biomedicine Research Center, Royan Institute for Reproductive Biomedicine, Tehran</p> <p><i>25th International Congress on Reproductive Biomedicine</i></p>	<p>Chairperson in the Scientific Session: Is Platelet Rich Plasma ?(PRP) Effective in ART Looking for Evidence</p>
18.		<p>Dr. Fatemeh Asgari Department of Embryologist, Ibn Sina's Center for Infertility and Repeated Miscarriage, Tehran</p> <p><i>25th International Congress on Reproductive Biomedicine</i></p>	<p>Invited Speaker in the Scientific Session: Engineering Approaches in Reproduction</p> <p>Title: Optimization of Decellularized of Human Placental Macroporous Scaffolds for Proliferation and differentiation of Spermatogonial Stem Cells</p>
19.		<p>Dr. Mehdi Hajian Researcher and Faculty Member in the Department of Reproductive Biotechnology, Royan Institute for Biotechnology, Isfahan</p> <p><i>25th International Congress on Reproductive Biomedicine</i></p>	<p>Chairperson in the Scientific Session: Animal Biotechnology</p> <p>Chairperson in the Scientific Session: Best Oral Poster Presentation</p>

20.		<p>Dr. Iman Halvaei Associate Professor, Faculty of Medical Sciences Tarbiat Modares University, Tehran</p> <p><i>25th International Congress on Reproductive Biomedicine</i></p>	<p>Invited Speaker in the Scientific Session:</p> <p>How to Improve Reproductive Outcomes?</p> <p>Title: The Role of Sperm in ART Success Rate</p>
21.		<p>Dr. Masoumeh Naserkheil Assistant Professor of Animal Breeding and Genetic, Animal Science Research Institute of Iran, Tehran</p> <p><i>25th International Congress on Reproductive Biomedicine</i></p>	<p>Invited Speaker in the Scientific Session:</p> <p>Animal Biotechnology</p> <p>Title: Exploring Hub Genes in Bovine Mastitis: Insight from Multi-Omics and Network Analysis</p>
22.		<p>Dr. Kiandokht Kiani Researcher & Faculty Member at Department of Endocrinology and Female Infertility, Reproductive Biomedicine Research Center, Royan Institute, Tehran</p> <p><i>25th International Congress on Reproductive Biomedicine</i></p>	<p>Chairperson in the Scientific Session:</p> <p>Endometriosis & Adenomyosis</p>
23.		<p>Dr. Maryam. Niknejadi Researcher & Faculty Member Department of Endocrinology and Female Infertility, Reproductive Biomedicine Research Center, Royan Institute, Tehran</p>	<p>Chairperson in the Scientific Session:</p> <p>Endometriosis & Adenomyosis</p>

		<i>25th International Congress on Reproductive Biomedicine</i>	
24.		<p>Dr. Mohammad Hossein Ghanian</p> <p>Researcher & Faculty Member, Department of Stem Cell Biology and Technology, Royan Institute for Stem Cell Biology & Technology, Tehran</p> <p><i>25th International Congress on Reproductive Biomedicine</i></p>	<p>Chairperson in the Scientific Session:</p> <p>Engineering Approaches in Reproduction</p>
25.		<p>Dr. Azam Dalman</p> <p>Researcher and Faculty Member, Department of Embryology, Reproductive Biomedicine Research Center, Royan Institute, Tehran</p> <p><i>25th International Congress on Reproductive Biomedicine</i></p>	<p>Chairperson in the Scientific Session:</p> <p>Engineering Approaches in Reproduction</p>
26.		<p>Dr. Farnoosh Jafarpour</p> <p>Researcher & Faculty Member in the Department of Animal Biotechnology, Royan Institute for Biotechnology, Isfahan</p> <p><i>25th International Congress on Reproductive Biomedicine</i></p>	<p>Chairperson in the Scientific Session:</p> <p>Animal Biotechnology</p>

27.		<p>Dr. Vahid Esmaeili Borzabadi Researcher & Faculty Member, Department of Embryology, Reproductive Biomedicine Research Center, Royan Institute, Tehran</p> <p><i>25th International Congress on Reproductive Biomedicine</i></p>	<p>Chairperson in the Scientific Session:</p> <p>Animal Biotechnology</p>
28.		<p>Dr. Mehri Mashayekhi Researcher & Faculty Member, Department of Endocrinology and Female Infertility, Reproductive Biomedicine Research Center, Royan Institute, Tehran</p> <p><i>25th International Congress on Reproductive Biomedicine</i></p>	<p>Chairperson in the Scientific Session:</p> <p>Is Platelet Rich Plasma (PRP) Effective In ART? Looking For Evidence</p>
29.		<p>Dr. Poopak Eftekhari-Yazdi Researcher & Faculty Member in the Department of Embryology, Reproductive Biomedicine Research Center, Royan Institute for Reproductive Biomedicine, Tehran</p> <p><i>25th International Congress on Reproductive Biomedicine</i></p>	<p>Chairperson in the Scientific Session:</p> <p>How to Improve Reproductive Outcomes?</p>
30.		<p>Prof. Mahnaz Ashrafi Head of ART Clinic of Akbarabadi Hospital, Tehran, Academic Staff & Member of Endocrinology and Female Infertility Department, Royan Institute, Tehran</p>	<p>Chairperson in the Scientific Session:</p> <p>How to Improve Reproductive Outcomes?</p>

		<i>25th International Congress on Reproductive Biomedicine</i>	
31.		<p>Dr. Fariba Ramazanali</p> <p>Researcher & Faculty Member Department of Endocrinology and Female Infertility, Reproductive Biomedicine Research Center, Royan Institute, Tehran</p> <p><i>25th International Congress on Reproductive Biomedicine</i></p>	<p>Chairperson in the Scientific Session:</p> <p>How to Improve Reproductive Outcomes?</p>
32.		<p>Dr. Mohammad Hossein Mohammadi</p> <p>Faculty member of Shahid Beheshti University of Medical Sciences, Tehran</p> <p><i>25th International Congress on Reproductive Biomedicine</i></p>	<p>Invited speakers in the Scientific Session:</p> <p>Is Platelet Rich Plasma (PRP) Effective In ART? Looking For Evidence</p> <p>Title: How to Standardize PRP and International Protocol</p>
33.		<p>Dr. Marzieh Farimani</p> <p>Department of Gynecology & Obstetrics, Faculty of Medicine, Hamedan University of Medical Sciences, Hamedan</p> <p><i>25th International Congress on Reproductive Biomedicine</i></p>	<p>Invited speakers in the Scientific Session:</p> <p>Is Platelet Rich Plasma (PRP) Effective In ART? Looking For Evidence</p> <p>Title: Rejuvenation in the Ovary: Iranian Experience</p>
34.		<p>Dr. Amir. Amiri-Yekta</p> <p>The Head of Royan Comprehensive Genetic</p>	<p>Chairperson in the Scientific Session:</p>

		<p>Diagnosis Center, Department of Genetics, Reproductive Biomedicine Research Center, Royan Institute for Reproductive Biomedicine, Tehran</p> <p><i>25th International Congress on Reproductive Biomedicine</i></p>	<p>Genetics of Infertility: New Insight in Prediction and Diagnosis</p>
35.		<p>Dr. Hassan Shahzadeh Fazeli</p> <p>Dean of the Faculty of Basic Sciences and New Technologies of Medical Sciences, Department of Genetics, Reproductive Biomedicine Research Center, Royan Institute for Reproductive Biomedicine, Tehran</p> <p><i>25th International Congress on Reproductive Biomedicine</i></p>	<p>Chairperson in the Scientific Session:</p> <p>Genetics of Infertility: New Insight in Prediction and Diagnosis</p>
36.		<p>Prof. Abbas Aflatoonian</p> <p>Pioneer and Professor of Obstetrics and Gynecology, Shahid Sadoughi Medical University, Yazd</p> <p><i>25th International Congress on Reproductive Biomedicine</i></p>	<p>Chairperson in the Scientific Session:</p> <p>Is Platelet Rich Plasma (PRP) Effective In ART? Looking For Evidence</p> <p>Chairperson in the Scientific Session: Keynote Lectures</p>
37.		<p>Dr. Ladan Abbasian</p> <p>Department Infectious Disease and Tropical Medicine School of Medicine, Tehran University of Medical Sciences, Imam Khomeini Hospital Complex,</p>	<p>Invited speakers in the Scientific Session:</p> <p>Infection & ART</p> <p>Title: HIV & Infertility</p>

		<p>Iranian Research Center for HIV/AIDS, Iranian Institute for reduction of High- Risk Behaviors, Tehran</p> <p><i>25th International Congress on Reproductive Biomedicine</i></p>	
38.		<p>Dr. Zahra Ahmadinejad</p> <p>Department Infectious Disease and Tropical Medicine School of Medicine, Tehran University of Medical Sciences, Imam Khomeini Hospital Complex, Liver Transplantation Research Center, Tehran</p> <p><i>25th International Congress on Reproductive Biomedicine</i></p>	<p>Invited speakers in the Scientific Session:</p> <p>Infection & ART</p> <p>Title: Hepatitis</p>
39.		<p>Dr. Reza Ommani Samani</p> <p>Department of Medical Ethics and Law, Reproductive Biomedicine Research Center, Royan Institute for Reproductive Biomedicine, Tehran</p> <p><i>25th International Congress on Reproductive Biomedicine</i></p>	<p>Chairperson in the Scientific Session:</p> <p>Ethics & ART</p>
40.		<p>Dr. Sadegh Shariati Nasab</p> <p>Department of Endocrinology and Female Infertility, Reproductive Biomedicine Research Center, Royan Institute for Reproductive Biomedicine,</p>	<p>Chairperson in the Scientific Session:</p> <p>Ethics & ART</p>

		Tehran <i>25th International Congress on Reproductive Biomedicine</i>	
41.		Dr. Firouzeh Ghaffari Department of Endocrinology and Female Infertility, Reproductive Biomedicine Research Center, Royan Institute for Reproductive Biomedicine, Tehran <i>25th International Congress on Reproductive Biomedicine</i>	Chairperson in the Scientific Session: Ethics & ART
42.		Dr. Parisa Mostafaie Department of Endocrinology and Female Infertility, Reproductive Biomedicine Research Center, Royan Institute, Tehran <i>25th International Congress on Reproductive Biomedicine</i>	Chairperson in the Scientific Session: Predictive Issue to Overcome Black Box in RSA & RIF & How to Improve Reproductive Outcomes?
43.		Dr. Ensiyeh Shahrokh Tehraninejad Department of Endocrinology and Female Infertility, Royan Institute, Department of Infertility, Tehran University of Medical Science, Tehran <i>25th International Congress on Reproductive Biomedicine</i>	Chairperson in the Scientific Session: Endometriosis & Adenomyosis

44.		<p>Dr. Mohammad Hossein Sanati</p> <p>Professor of Medical Genetic, National Institute of Genetic Engineering and Biotechnology, Tehran</p> <p><i>25th International Congress on Reproductive Biomedicine</i></p>	<p>Chairperson in the Scientific Session:</p> <p>Genetics of Infertility: New Insight in Prediction and Diagnosis</p>
45.		<p>Prof. Majid Nili Ahmadabadi</p> <p>Professor of ECE, University of Tehran, Tehran</p> <p><i>25th International Congress on Reproductive Biomedicine</i></p>	<p>Invited speakers in the Scientific Session:</p> <p>Keynote Lectures</p>
46.		<p>Dr. Seyed Mohammad Seyed Hassani</p> <p>Founder and Technical Authority of Dr. Seyed Hassani Medical Genetic Center, Department of medical Genetics, Yazd Medical Science University, Director of Yazd Neurogenetic Society, Yazd</p> <p><i>25th International Congress on Reproductive Biomedicine</i></p>	<p>Invited speakers in the Scientific Session:</p> <p>Genetics of Infertility: New Insight in Prediction and Diagnosis</p> <p>Title: Genetics of Infertility: New Insight in Prediction and Diagnosis</p>
47.		<p>Dr. Ali Azin</p> <p>Reproductive Biotechnology Research Center, Avicenna Research Institute, Tehran</p> <p><i>25th International Congress on Reproductive Biomedicine</i></p>	<p>Invited speakers in the Scientific Session:</p> <p>Ethics & ART / Company Symposium</p> <p>Title: Gender Dysphoria and Fertility Preservation as a Sexual and Reproductive Health Right</p>

48.		<p>Dr. Faezeh Moraveji</p> <p>PhD candidate in Tissue Engineering, Department of Stem Cells and Developmental Biology, Royan Institute for Stem cell Biology and Technology, Tehran</p> <p><i>25th International Congress on Reproductive Biomedicine</i></p>	<p>Invited speakers in the Scientific Session:</p> <p>Engineering Approaches in Reproduction</p> <p>Title: Improved Testicular Organoid Development by Inhibition Of TGF-B Signaling Pathway</p>
49.		<p>Dr. Mehrangiz Zangeneh</p> <p>Professor, Department of Infectious Diseases, Faculty of Medicine, Tehran Medical Sciences Branch, Islamic Azad University, Tehran</p> <p><i>25th International Congress on Reproductive Biomedicine</i></p>	<p>Chairperson in the Scientific Session:</p> <p>Infection & ART</p>
50.		<p>Dr. Hossein Mozdarani</p> <p>Department of Medical Genetics Faculty of Medical Sciences Tarbiat Modares University, Tehran</p> <p><i>25th International Congress on Reproductive Biomedicine</i></p>	<p>Chairperson in the Scientific Session:</p> <p>Genetics of Infertility: New Insight in Prediction and Diagnosis</p>
51.		<p>Dr. Tahereh Souri</p> <p>Associated Professor, Department of Infectious Diseases, Razi Hospital, School of Medicine, Tehran University of Medical Sciences, Tehran</p>	<p>Invited speakers in the Scientific Session:</p> <p>Infection & ART</p> <p>Title: HPV and Infertility</p>

		<p><i>25th International Congress on Reproductive Biomedicine</i></p>	
52.		<p>Dr. Shahrzad Moineddin</p> <p>Research and Clinical Center for Infertility, Yazd Reproductive Sciences Institute, Shahid Sadoughi University of Medical Science, Yazd</p> <p><i>25th International Congress on Reproductive Biomedicine</i></p>	<p>Invited speakers in the Scientific Session:</p> <p>Is Platelet Rich Plasma ?(PRP) Effective In ART Looking For Evidence</p> <p>Title: Ovarian PRP: Yazd Experience</p>
53.		<p>Dr. Mehdi Mehdizadeh</p> <p>Department of Medicine, Department of Anatomy, Cellular and Molecular Research Center, Iran University of Medical Sciences, Tehran</p> <p><i>25th International Congress on Reproductive Biomedicine</i></p>	<p>Chairperson in the Scientific Session:</p> <p>Endometriosis & Adenomyosis</p>
54.		<p>Dr. Sedigheh Hosseini</p> <p>Associate Professor, Infertility Fellowship, Department of Obstetrics and Gynecology Specialist, Shahid Beheshti University of Medical Sciences, Tehran</p> <p><i>25th International Congress on Reproductive Biomedicine</i></p>	<p>Invited speakers in the Scientific Session:</p> <p>Is Platelet Rich Plasma ?(PRP) Effective In ART Looking For Evidence</p> <p>Title: Endometrial PRP</p>

55.		<p>Dr. Parvaneh Ebrahimi</p> <p>Department of Infectious Disease and Tropical Medicine, School of Medicine, Arash Hospital, Tehran University of Medical Sciences, Tehran</p> <p><i>25th International Congress on Reproductive Biomedicine</i></p>	<p>Chairperson in the Scientific Session:</p> <p>Infection & ART</p>
56.		<p>Prof. Seyed Davar Siadat</p> <p>Professor of Medical Microbiology, Head of Mycobacteriology & Pulmonary Research, Department of Medical Microbiology, Microbiology Research Center, Pasteur Institute of Iran, Tehran</p> <p><i>25th International Congress on Reproductive Biomedicine</i></p>	<p>Chairperson in the Scientific Session:</p> <p>Infection & ART</p>
57.		<p>Dr. Saghar Salehpour</p> <p>Department of Obstetrics and Gynecology, Shahid Beheshti University of Medical Sciences, Tehran</p> <p><i>25th International Congress on Reproductive Biomedicine</i></p>	<p>Chairperson in the Scientific Session:</p> <p>Is Platelet Rich Plasma ?(PRP) Effective in ART Looking for Evidence</p>
58.		<p>Dr. Mohamad Ebrahim Parsanezhad</p> <p>The President of Iranian Society of Reproductive Medicine, Department of Gynecology and Obstetrics, Shiraz University of Medical Sciences, Shiraz</p>	<p>Opening:</p> <p>Chairperson in the Scientific Session:</p> <p>Is Platelet Rich Plasma ?(PRP) Effective in ART Looking for Evidence</p> <p>Invited speakers in the Scientific Session:</p>

		<i>25th International Congress on Reproductive Biomedicine</i>	How to Improve Reproductive Outcomes?
59.		Dr. Mansoureh Movahedin Department of Anatomy, Tarbiat Modares University, Tehran <i>25th International Congress on Reproductive Biomedicine</i>	Chairperson in the Scientific Session: Engineering Approaches in Reproduction
60.		Dr. Morteza Korouji Department of Anatomy, School of Medicine, Stem cell and Regenerative Medicine Research Center, Iran University of Medical Sciences, Tehran, Medical Sciences, Qom <i>25th International Congress on Reproductive Biomedicine</i>	Chairperson in the Scientific Session: Engineering Approaches in Reproduction
61.		Dr. Khadijeh Shadjoo Department of Endometriosis and Laparoscopy, The founder of endometriosis clinic, Avicenna fertility center, Tehran <i>25th International Congress on Reproductive Biomedicine</i>	Chairperson in the Scientific Session: Endometriosis & Adenomyosis
62.		Dr. Fatemeh Keikha Infertility and IVF fellowship gynecology specialist, Associate Professor of Obstetrics and Gynecology Department, Tehran University of Medical Sciences, Valiasr Hospital, Imam Khomeini Hospital Complex (RA), Tehran	Chairperson in the Scientific Session: Predictive Issue to Overcome Black Box in RSA & RIF

		<i>25th International Congress on Reproductive Biomedicine</i>	
63.		<p>Prof. Hamid Gourabi</p> <p>Director of PGT-A lab, Royan Infertility Clinic, Department of genetic, Reproductive Biomedicine Research Center, Royan Institute, Tehran</p> <p><i>25th International Congress on Reproductive Biomedicine</i></p>	<p>Chairperson in the Scientific Session: Predictive Issue to Overcome Black Box in RSA & RIF</p>

**20th Royan International Congress on
Stem Cell Biology & Technology
(28-30 August 2024)**

	<i>Iranian Invited Speakers</i>	<i>Session</i>
1.	 <p>Dr. Hossein Ghanbarian Department of Biotechnology, Shahid Beheshti University of Medical Sciences, Tehran</p> <p style="text-align: center;"><i>20th Congress on Stem Cell Biology & Technology</i></p>	<p>Invited Speaker in the Scientific Session:</p> <p>Stem Cells and Molecular Medicine</p> <p style="text-align: center;">Title: RNAa-mediated epigenetic attenuation of the cell senescence via locus- specific induction of endogenous SIRT1</p>
2.	 <p>Prof. Abbas Aflatoonian Pioneer and Professor of Obstetrics and Gynecology, Shahid Sadoughi Medical University , Yazd</p> <p style="text-align: center;"><i>20th Congress on Stem Cell Biology & Technology</i></p>	<p>Chairman in the Scientific Session: Keynote Lectures</p>
.3	 <p>Dr. Mohammad Ali Sadighi Gilani Head of the Department of Andrology, Royan Research Institute for Reproductive Biomedicine, Department of Urology, Tehran University of Medical Sciences, Tehran</p> <p style="text-align: center;"><i>20th Congress on Stem Cell Biology & Technology</i></p>	<p>Chairman in the Scientific Session: Keynote Lectures</p>

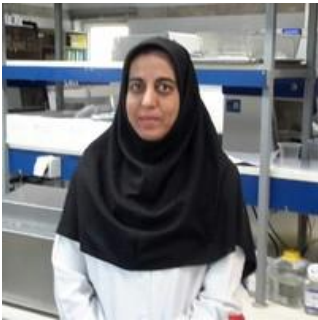

.4		<p><i>Parvaneh Afsharian</i></p> <p>Deputy of Research and Technology, Department of Genetics group, Reproductive Bio medicine Research Center, Royan Institute, Tehran</p> <p><i>20th Congress on Stem Cell Biology & Technology</i></p>	<p>Chairperson in the Scientific Session: Keynote Lectures</p>
.5		<p>Prof. Mohammad Hossein Nasr Esfahani</p> <p>Head of Royan Institute for Biotechnology, Isfahan</p> <p><i>20th Congress on Stem Cell Biology & Technology</i></p>	<p>Invited speaker Scientific Session:</p> <p>Keynote Opening & Meeting with Editors</p>
6.		<p>Dr. Sharif Moradi</p> <p>Researcher and Faculty Member in Department of Stem Cells and Developmental Biology, Royan Institute for Stem Cell Biology and Technology, Tehran</p> <p><i>20th Congress on Stem Cell Biology & Technology</i></p>	<p>Invited Speaker and Chairman in the Scientific Session: Stem Cells and Molecular Medicine</p> <p>Title: Novel microRNAs enabling the maintenance and derivation of embryonic stem cells from blastocysts</p> <p>Chairman in the Scientific Session: Meeting with Editors</p>
7.		<p>Dr. Seyedeh Nafiseh Hassani</p> <p>Researcher and Faculty Member in Department of Stem Cells and Developmental Biology, Royan</p>	<p>Invited speaker in the Scientific Session:</p>

		<p>Institute for Stem Cell Biology and Technology, Tehran</p> <p><i>20th Congress on Stem Cell Biology & Technology</i></p>	<p>Manufacturing of Advanced Therapy Medicinal Products</p> <p>Title: How to Overcome the Regulatory Challenges Of CAR-T Cell Therapy</p>
8.		<p>Dr. Ensieh Hajizadeh Saffar</p> <p>Advanced Therapy Medicinal Product Technology Development Center (ATMP-TDC), Department of Regenerative Medicine, Cell Science Research Center, Royan Institute for Stem Cell Biology and Technology, Tehran</p> <p><i>20th Congress on Stem Cell Biology & Technology</i></p>	<p>Invited speakers and Chairperson in the Scientific Session:</p> <p>Manufacturing of Advanced Therapy Medicinal Products</p> <p>Title: Industrial Development of Advanced Therapy Medicinal Products</p>
9.		<p>Dr. Sadegh Hassan Nia</p> <p>Department of Biochemistry and Biological Sciences, Tarbiat Modares University, Tehran</p> <p><i>20th Congress on Stem Cell Biology & Technology</i></p>	<p>Invited Speaker and Chairman in the Scientific Session:</p> <p>How Close Are We to Bedside for Bone and Cartilage Tissue Regeneration?</p> <p>Title: Customizable Bone Composite Scaffold Incorporating Inductive Molecules: A Novel Approach</p>
10.		<p>Dr. Massoud Vosough</p> <p>Department of Regenerative Medicine, Cell Science Research Center, Royan Institute for Stem</p>	<p>Chairman in the Scientific Session:</p> <p>Regenerative Medicine: Novel Approaches</p>

		<p>Cell Biology and Technology, Tehran</p> <p><i>20th Congress on Stem Cell Biology & Technology</i></p>	<p>&</p> <p>Meeting with Editors</p>
11.		<p>Prof. Rasool Dinarvand</p> <p>Professor of Pharmaceutics and Director, Nanotechnology Research Centre, Tehran University of Medical Sciences, Tehran</p> <p><i>20th Congress on Stem Cell Biology & Technology</i></p>	<p>Invited Speaker and Chairman in the Scientific Session:</p> <p>Manufacturing of Advanced Therapy Medicinal Products</p> <p>Title: Nanostructures as Novel Drug Delivery Systems: Fundamental Issues and Market Perspectives</p>
12.		<p>Prof. Fereidoun Mahboudi</p> <p>Faculty Member at Pasture Institute, Iranian biotechnology researcher consultant, R&D at Cinna Gene, Tehran</p> <p><i>20th Congress on Stem Cell Biology & Technology</i></p>	<p>Invited Speaker in the Scientific Session:</p> <p>Manufacturing of Advanced Therapy Medicinal Products</p> <p>Title: Advances in the Biotechnology Industry in Iran</p>
13.		<p>Dr. Ehsan Arefian</p> <p>Head of Secretary of Council for Development of Stem Cell Sciences and Technologies, Department of Microbiology, School of Biology College of Science, University of Tehran, Tehran</p> <p><i>20th Congress on Stem Cell Biology & Technology</i></p>	<p>Invited Speaker in the Scientific Session:</p> <p>Regenerative Medicine: Novel Approaches</p> <p>Title: Glioblastoma Gene Therapy: Using Cocktail Constructs</p>

14.		<p>Prof. Hossein Baharvand</p> <p>Professor, Department of Stem Cells and Developmental Biology, Royan Institute for Stem Cell Biology and Technology, Tehran</p> <p><i>20th Congress on Stem Cell Biology & Technology</i></p>	<p>Chairman in the Scientific Session:</p> <p>Developmental Biology and Stem Cells</p>
15.		<p>Dr. Marzieh Ebrahimi</p> <p>Associate professor, Department of Stem Cells and Developmental Biology, Cell Science Research Center, Royan Institute for Stem Cell Biology and Technology, Tehran</p> <p><i>20th Congress on Stem Cell Biology & Technology</i></p>	<p>Chairperson in the Scientific Session:</p> <p>Cancer & Immune Therapy</p>
16.		<p>Dr. Bahman Zeinali</p> <p>Associate Professor at University of Tehran, Laboratory of Developmental Biology School of Biology College of Science, University of Tehran, Tehran</p> <p><i>20th Congress on Stem Cell Biology & Technology</i></p>	<p>Chairman and invited Speaker in the Scientific Session:</p> <p>Developmental Biology and Stem Cells</p> <p>Title: Wnt Signaling in Stem Cell Differentiation and Tissue Regeneration</p>
17.		<p>Dr. Nasrin Lotfibakhshaesh</p> <p>Associate Professor, School of Advanced Technologies in Medicine, Tehran University of Medical, Tehran</p> <p><i>20th Congress on Stem Cell Biology & Technology</i></p>	<p>Invited Speaker in the Scientific Session:</p> <p>Stem Cell Bioengineering</p> <p>Title: Synthesis of Cell-based Chronic Wound Dressing with Gelatin Methacrylate (GelMA) Hydrogel for Skin Regeneration</p>

18.		<p>Dr. Reza Rahbarghazi</p> <p>Head of Department of Applied Cell Sciences, Faculty of Advanced Medical Sciences, Tabriz University of Medical Sciences, Member of the Research Council of Stem Cell Research Center, Tabriz</p> <p><i>20th Congress on Stem Cell Biology & Technology</i></p>	<p>Invited Speaker in the Scientific Session:</p> <p>Stem Cell Bioengineering</p> <p>Title: Mitochondria-Incorporated Electroconductive Alginate-Based Hydrogel Promoted Myocardial Regeneration via Vascularization in a Rat Model of Myocardial Infarction</p>
19.		<p>Prof. Fatemeh Atyabi</p> <p>Head of the Pharmaceutical Nanotechnology, Department of Pharmacy, Tehran University of Medical Sciences, Tehran</p> <p><i>20th Congress on Stem Cell Biology & Technology</i></p>	<p>Invited Speaker in the Scientific Session:</p> <p>Stem Cell Bioengineering</p> <p>Title: Stem cell Nanotechnology and Regenerative Medicine</p>
20.		<p>Dr. Sara Pahlevan</p> <p>Researcher and Faculty Member in the Department of Stem Cells and Developmental Biology, Royan Institute for Stem Cell Biology and Technology, Tehran</p> <p><i>20th Congress on Stem Cell Biology & Technology</i></p>	<p>Invited Speaker and Chairperson in the Scientific Session:</p> <p>In Vitro 3D Models for Cardiovascular Research</p> <p>Title: Do In Vitro Fabricated Cardiac Microtissues Replace Experimental Models in Cardiovascular Research?</p> <p>Chairperson in the Scientific Session:</p> <p>Revolutionary Eye and Vision Research</p>

21.		<p>Dr. Davood Bashash</p> <p>Department of Hematology and Blood Banking, Shahid Beheshti University of Medical Sciences, Tehran</p> <p style="text-align: center;"><i>20th Congress on Stem Cell Biology & Technology</i></p>	<p>Invited Speaker and Chairman in the Scientific Session:</p> <p>Revolutionary Eye and Vision Research</p> <p style="text-align: center;">Title: Personalized Medicine: From molecular phenotyping to regenerative medicine</p>
22.		<p>Dr. Leila Satarian</p> <p>Department of Brain and Cognitive sciences, Neurophysiologist, Royan Institute for Stem Cell Biology & Technology, Tehran</p> <p style="text-align: center;"><i>20th Congress on Stem Cell Biology & Technology</i></p>	<p>Chairperson in the Scientific Session:</p> <p>Revolutionary Eye and Vision Research</p>
23.		<p>Dr. Mahmoud Azami</p> <p>Department of Tissue Engineering, School of Advanced Technologies in Medicine, Tehran</p> <p style="text-align: center;"><i>20th Congress on Stem Cell Biology & Technology</i></p>	<p>Invited Speaker in the Scientific Session:</p> <p>How Close Are We to Bedside for Bone and Cartilage Tissue Regeneration?</p> <p style="text-align: center;">Title: Bioceramics-Based 3D Printed Scaffold for Bone Tissue Engineering</p>
24.		<p>Dr. Mona Alibolandi</p> <p>Department of Pharmaceutical Biotechnology, School of Pharmacy, Mashhad University of Medical Sciences, Mashhad</p>	<p>Invited Speaker in the Scientific Session:</p> <p>How Close Are We to Bedside for Bone and Cartilage Tissue Regeneration?</p>

		<p style="text-align: center;"><i>20th Congress on Stem Cell Biology & Technology</i></p>	<p style="text-align: center;">Title: Biomimetic Smart theranostic platforms</p>
25.		<p>Dr. Samaneh Hosseini</p> <p>Department of Cell Engineering, Cell Science Research Center, Royan Institute for Stem Cell Biology and Technology, Tehran</p> <p style="text-align: center;"><i>20th Congress on Stem Cell Biology & Technology</i></p>	<p>Chairperson and Invited Speaker in the Scientific Session:</p> <p style="text-align: center;">How Close Are We to Bedside for Bone and Cartilage Tissue Regeneration?</p> <p style="text-align: center;">Title: The potential significance of extracellular vesicles in osteoarthritis treatment</p>
26.		<p>Dr. Naser Aghdami</p> <p>Department of Regenerative Medicine, Cell Science Research Center, Royan Institute for Stem Cell Biology and Technology, Tehran</p> <p style="text-align: center;"><i>20th Congress on Stem Cell Biology & Technology</i></p>	<p>Invited Speaker in the Scientific Session:</p> <p style="text-align: center;">Regenerative Medicine: Novel Approaches</p> <p style="text-align: center;">Title: Immune Cell Therapy: Side Effects, Risks and Limitations in Cancer</p>
27.		<p>Prof. Ahmad Vosough Taghi Dizaj</p> <p>Deputy of Specialized and Clinical Services, Director of Royan Infertility Clinic, Reproductive Biomedicine Research Center, Tehran</p> <p style="text-align: center;"><i>20th Congress on Stem Cell Biology & Technology</i></p>	<p>Invited Speaker in the Scientific Session:</p> <p style="text-align: center;">Keynote Closing</p> <p style="text-align: center;">Title: Royan Institute Experience of 30 years</p>

28.		<p>Prof. Majid Nili Ahmadabadi</p> <p>Professor of ECE, University of Tehran</p> <p><i>20th Congress on Stem Cell Biology & Technology</i></p>	<p>Invited Speaker in the Scientific Session:</p> <p>Keynote Lectures</p>
29.		<p>Dr. Mohammad Reza Abolghasemi</p> <p>Assistant Professor, University of Tehran, Resident Researcher, Institute for Research in Fundamental Sciences (IPM), Tehran</p> <p><i>20th Congress on Stem Cell Biology & Technology</i></p>	<p>Invited Speaker in the Scientific Session:</p> <p>AI in Biology</p> <p>Title: Empowering Parents for Early Childhood Development: A Journey with Kidora</p>
30.		<p>Dr. Fatemeh Bagheri</p> <p>Department of Cell & Molecular Biology, University of Tehran, Tehran</p> <p><i>20th Congress on Stem Cell Biology & Technology</i></p>	<p>Chairperson in the Scientific Session:</p> <p>How Close Are We to Bedside for Bone and Cartilage Tissue Regeneration?</p>
31.		<p>Dr. Meghdad Yeganeh</p> <p>School of Biotechnology, College of Science, University of Tehran, Tehran</p> <p><i>20th Congress on Stem Cell Biology & Technology</i></p>	<p>Chairman in the Scientific Session:</p> <p>AI in Biology</p>
32.		<p>Dr. Alireza Mahdavi</p>	<p>Chairman in the Scientific Session:</p>

		<i>20th Congress on Stem Cell Biology & Technology</i>	AI in Biology
33.		<p>Dr. Seyyed Mahdi Khaligh Razavi</p> <p>Department of Stem Cells and Developmental Biology, Royan Institute for Stem Cell Biology and Technology, Cell Science Research Center, Tehran</p> <p style="text-align: center;"><i>20th Congress on Stem Cell Biology & Technology</i></p>	<p style="text-align: center;">Invited Speaker in the Scientific Session:</p> <p style="text-align: center;">AI in Healthcare: Bridging the Gap Between Innovation and Clinical Impact</p>
34.		<p>Dr. Hamed Daemi</p> <p>Assistant professor, Department of Cell Engineering, Royan Institute for Stem Cell Biology and Technology, Tehran</p> <p style="text-align: center;"><i>20th Congress on Stem Cell Biology & Technology</i></p>	<p style="text-align: center;">Chairman in the Scientific Session:</p> <p style="text-align: center;">Stem Cell Bioengineering</p>
35.		<p>Dr. Mohammad Amir Amirkhani</p> <p>Skin and Stem Cell Research Center, Tehran University of Medical Sciences, Tehran</p> <p style="text-align: center;"><i>20th Congress on Stem Cell Biology & Technology</i></p>	<p style="text-align: center;">Invited Speaker in the Scientific Session:</p> <p style="text-align: center;">Manufacturing of Advanced Therapy Medicinal Products</p> <p style="text-align: center;">Title: Overview of New Regenerative Medicine Products in ATMP and Future Direction</p>

19th Royan International Congress on Nursing & Midwifery- In Persian
(28-29 August 2024)

<i>Invited Speakers</i>	<i>Affiliation</i>	<i>Session</i>
	<p>Prof. Abbas Aflatoonian Pioneer and Professor of Obstetrics and Gynecology, Shahid Sadoughi Medical University , Yazd</p> <p align="center"><i>19th Seminar on Nursing & Midwifery</i></p>	<p align="center">Invited Speaker & Chairman in the Scientific Session:</p> <p align="center">A Review of The Latest Infertility Achievements in Treatment Protocols</p> <p align="center">Title: Applications of PRP in infertility</p>
	<p>Dr. Marzieh Farimani Department of Gynecology & Obstetrics, Faculty of Medicine, Hamedan University of Medical Sciences, Hamedan</p> <p align="center"><i>19th Seminar on Nursing & Midwifery</i></p>	<p align="center">Invited Speaker in the Scientific Session:</p> <p align="center">A Review of The Latest Infertility Achievements in Treatment Protocols</p> <p align="center">Title: Applications of PRP in Infertility</p>
	<p>Prof. Mahnaz Ashrafi Head of ART Clinic of Akbarabadi Hospital, Tehran, Academic Staff & Member of Endocrinology and Female Infertility Department, Royan Institute, Tehran</p> <p align="center"><i>19th Seminar on Nursing & Midwifery</i></p>	<p align="center">Chairperson in the Scientific Session:</p> <p align="center">A Review of The Latest Infertility Achievements in Treatment Protocols</p>
	<p>Dr. Ashraf Moini</p>	

Department of Gynecology and Obstetrics, Tehran University of Medical Sciences, Akbarabadi Hospital, Scientific board, Female Infertility, Reproductive Biomedicine Research Center, Royan Institute, Tehran

19th Seminar on Nursing & Midwifery

Chairperson and Invited Speaker in the Scientific Session:

Familiarity and Therapeutic Management of Endometriosis Patients

Title:
Definition, causes and diagnosis

Dr. Zahra Hessari

Department of Midwifery, Royan Infertility Clinic, Royan Institute for Reproductive Biomedicine, Tehran

19th Seminar on Nursing & Midwifery

Scientific chairperson of 19th Seminar on Nursing & Midwifery

Chairperson in the Scientific Session:

A Review of The Latest Infertility Achievements in Treatment Protocols

Dr. Naeimeh Mirghavameddin

Director of Education in Royan Infertility Clinic, Royan Institute for Reproductive Biomedicine, Tehran

19th Seminar on Nursing & Midwifery

Chairperson in the Scientific Session:

The Role of Environmental and Chemical Contaminants on Fertility

Dr. Tahereh Madani

Faculty Member in the Department of Endocrinology and Female Infertility, Reproductive Biomedicine Research Center, Royan Institute for Reproductive Biomedicine, Tehran

19th Seminar on Nursing & Midwifery

Invited Speaker in the Scientific Session:

The Role of Environmental and Chemical Contaminants on Fertility

Title:
The Effect of Environmental and Chemical Contaminants on Female Infertility

Dr. Maria Sadeghi
Faculty member in the
Department of Endocrinology
and Female Infertility,
Reproductive Biomedicine
Research Center, Royan Institute
for Reproductive Biomedicine,
Tehran, Iran

*19th Seminar on
Nursing & Midwifery*

**Chairperson in the Scientific
Session:**

Familiarity and Therapeutic
Management of Endometriosis
Patients

Dr. Reihaneh Hosseini
Head of Research Development
Center of Arash Women's
Hospital, Department of in the
laparoscopy room in the
University of Medicine of
Tehran,
Tehran

*19th Seminar on
Nursing & Midwifery*

**Invited Speaker in the
Scientific Session:**

Familiarity and Therapeutic
Management of Endometriosis
Patients

Title:
**Surgical and non-surgical
treatments**

Dr. Masoumeh Namazi
Department of Reproductive
Health, Nursing & Midwifery,
University of Medicine of
Tehran,
Tehran

*19th Seminar on
Nursing & Midwifery*

**Invited Speaker in the
Scientific Session:**

Familiarity and Therapeutic
Management of Endometriosis
Patients

Title:
Quality Care and Lifestyle

Dr. Mina Jafarabadi
Department of Obstetrics and
Gynecology, Tehran University
of Medical Sciences, Vali-E-Asr
Reproductive Health Research
Center,
Tehran

*19th Seminar on
Nursing & Midwifery*

**Invited Speaker in the
Scientific Session:**

Fertility Preservation

Title:
Social Fertility, Oncofertility

Dr. Hossein Imani

Department Clinical Nutrition
School of Nutritional Sciences &
Dietetics, Tehran University of
Medical Sciences,
Tehran

*19th Seminar on
Nursing & Midwifery*

**Invited Speaker in the
Scientific Session:**

Fertility Preservation

Title:

The Quality of Frozen Oocyte
and Sperm from the Point of
View of Embryology

Dr Mahshad Khodarahmian

Assistant Professor of
Reproductive Biology,
Department Anatomy
School of Medicine, Tehran
University of Medical Sciences,
Tehran

*19th Seminar on
Nursing & Midwifery*

**Chairperson in the Scientific
Session:**

A Review of The Latest
Infertility Achievements in
Treatment Protocols

Dr. Fatemeh Akyash

Department of Reproductive
Biology, Clinical Embryologist,
Supervisor of IVF Laboratory at
Erfan Hospital,
Tehran

*19th Seminar on
Nursing & Midwifery*

**Invited Speaker in the
Scientific Session:**

Familiarity and Therapeutic
Management of Endometriosis
Patients

Title:

The effect of endometriosis on
oocyte and embryo

Dr. Maryam Baqeri

Department of Adult Health
Nursing, Isfahan University of
Medical Sciences,
Isfahan

*19th Seminar on
Nursing & Midwifery*

**Invited Speaker in the
Scientific Session:**

Fertility Preservation

Title:

Management of the Freezing
Process

Dr. Zahra Ezabadi

Director of Nursing Section,
Royan Infertility Clinic,
Tehran

*19th Seminar on
Nursing & Midwifery*

**Chairperson in the Scientific
Session:**

Fertility Preservation

Title:
Management of the Freezing
Process

Dr. Reza Omani Samani

Department of Medical Ethics
and Law, Reproductive
Biomedicine Research Center,
Royan Institute for Reproductive
Biomedicine,
Tehran

*19th Seminar on
Nursing & Midwifery*

**Invited Speaker in the
Scientific Session:**

Fertility Preservation

Title:
Fertility preservation from the
point of view of ethics and
rights

Dr. Mansoureh Yazdkhasti

Department of Midwifery and
Reproductive Health, **Alborz**
University of Medical Sciences,
Karaj

*19th Seminar on
Nursing & Midwifery*

**Invited Speaker in the
Scientific Session:**

A Review of The Latest
Infertility Achievements in
Treatment Protocols

Title:
Mobile app and personalize
ART

Firoozeh Ghaffari

Department of Endocrinology
and Female Infertility,
Reproductive Biomedicine
Research Center, Royan Institute
for Reproductive Biomedicine,
Tehran

*19th Seminar on
Nursing & Midwifery*

**Panel Member in the
Scientific Session:**

Fertility Preservation

Dr. Mozhgan Soltani

Department of Female Infertility,
Royan Institute,
Tehran

*19th Seminar on
Nursing & Midwifery*

**Invited Speaker in the
Scientific Session:**

A Review of The Latest
Infertility Achievements in
Treatment Protocols

Title:
Familiarity with new protocols
of embryo transfer

Dr. Mahdi Amirchaghmaghi

Faculty Member of Tehran
University of Medical Science,
Shariati Hospital, Tehran

*19th Seminar on
Nursing & Midwifery*

**Invited Speaker in the
Scientific Session:**

The Role of Environmental
and Chemical Contaminants
on Fertility

Title:
The Effect of Environmental
and Chemical Contaminants
on Male Infertility

Dr. Reza Omani Samani

Department of Medical Ethics
and Law, Reproductive
Biomedicine Research Center,
Royan Institute for Reproductive
Biomedicine,
Tehran

*19th Seminar on
Nursing & Midwifery*

**Invited Speaker in the
Scientific Session:**

Title:
Fertility preservation from the
point of view of ethics and
rights

Somayeh Aftabsavad

Department of Molecular
Genetics, Noura gene lab of Iran,
Tehran

*19th Seminar on
Nursing & Midwifery*

**Invited Speaker in the
Scientific Session:**

The Role of Environmental
and Chemical Contaminants
on Fertility

Title:
Epigenetics And
Contaminants

**Dr. Shahideh Jahanian
Sadatmahalleh**

Department of Midwifery and
Reproductive Health, Tarbiat
Modares University of Medical
Sciences,
Tehran

*19th Seminar on
Nursing & Midwifery*

**Invited Speaker in the
Scientific Session:**

The Role of Environmental
and Chemical Contaminants
on Fertility

Title:

Care and lifestyle in
preventing the effect of
environmental and chemical
contaminants on infertility

Dr. Farid Zeynali

Assistant Professor of Urology,
Fellowship of Andrology,
Department of Urology, Faculty
of Medicine, Mashhad
University of Medical Sciences,
Mashhad

*19th Seminar on
Nursing & Midwifery*

**Invited Speaker in the
Scientific Session:**

Fertility Preservation

Title:

Sperm Freezing
